Unified Cloud Sync
ERP, App & Website update simultaneously in real-time.

Clash-Free Timetable
Zero teacher clashes across all divisions automatically.

Live Bus GPS
Live map speed & 1 km proximity arrival alerts for parents.

Enterprise Security
Encrypted cloud database with twice-daily backups.

INSTITUTIONAL ARCHITECTURE

Centralized School Management ERP

Designed specifically for Principals, Trustees, Accountants, and Clerks to manage institutional operations, academic schedules, student registries, and financial accounting with complete transparency.

Student Admissions & Directory 01

Complete lifecycle student enrollment registry, automated roll number assignments, class-section rosters, family contacts, and 1-click printable student ID cards.

Admissions | Class Allocation | Photo ID Cards

Staff & Faculty Directory & Attendance 02

Comprehensive staff & faculty directory. Daily teacher attendance tracking, subject allotments, leave management, and role-based staff permissions.

Staff & Attendance | Leave Logs | Role Controls

Automated Attendance Tracking 03

1-tap classroom roll-call with automated absent SMS and app push alerts to parents. Monthly attendance rings, leave reconciliation, and board-compliant register exports.

Absent SMS Alerts | Monthly Rings | Registers

Conflict-Free Timetable AI 04

Intelligent bell-schedule automation ensuring zero teacher collisions and classroom conflicts across all divisions. Includes 1-click substitute teacher proxy allocation.

Zero Clashes | Proxy Substitution | Bell Schedules

Exams, Gradebook & Marksheets 05

Unit tests, mid-terms, and annual exam scheduling. Subject-wise marks recording, co-scholastic grading, class averages, and 1-click printable board-compliant report cards.

CBSE / State Format | QR Verification | Rank Lists

Fee Dues & Accounts Ledger 06

Category fee structures (Tuition, Transport, Term), counter receipt generation, automated parent dues reminders, defaulter statements, and transparent reconciliation.

Instant Receipts | Defaulter Lists | Audit Ledger

Transport Fleet & Route Telemetry 07

Fleet vehicle inventory, bus stop sequencing, student pickup allocations, driver licensing records, and live integration with the parent mobile app GPS telemetry.

Route Planning | Driver Allocation | Live GPS Feed

Multi-Branch Institutional Sync 08

Master oversight for trustees and executive directors managing multiple school campuses. Switch branches instantly to compare collections, enrollment, and faculty strength.

Multi-Campus | Consolidated Reports | Cloud Sync

MOBILE SMARTPHONE ECOSYSTEM

Dedicated Parent & Teacher Android App

Connecting parents and educators with instant attendance alerts, digital diaries, bus tracking, circulars, and a revolutionary brain-safe educational video feed.

▶ HIGHLIGHT FEATURE • BRAIN-SAFE CONTENT

Protected Learning Feed

"Instead of watching random content on YouTube that will harm your child's brain with musical patterns, we have got educational content feed with nature videos, science videos, and learning videos feed in our Schoolmate app."

Nature & Wildlife
Deep ocean ecosystems, rainforest biology, wildlife habitats, and earth conservation without overstimulation.

Practical Science
Real-world laboratory demonstrations, physics principles in action, and safe, curiosity-driven chemistry.

Curiosity & STEM
Astronomy, planetary orbits, visual geometry, and conceptual mathematics curated by educators.

Parent & Student App Experience

Empowers parents with comprehensive real-time visibility into their child's academic journey and campus routine.

- ✓ Daily homework diary with whiteboard photo attachments
- ✓ Interactive monthly attendance percentage ring & calendar
- ✓ Digital exam report cards, marks analysis, & fee dues

Role-Tailored Teacher Panel

Streamlines daily classroom administrative duties so educators can focus 100% on instruction.

- ✓ 1-tap rapid classroom attendance roll-call with absent alerts
- ✓ Instant homework creation with camera whiteboard snapshots
- ✓ Direct broadcast of division circulars & term test marks

Live GPS Bus Fleet Tracking

Complete peace of mind for parents during daily morning pickups and afternoon return routes.

- ✓ Live vehicle location on interactive map with real-time speed
- ✓ Automated proximity notification 1 km before stop arrival
- ✓ 1-tap emergency direct driver phone connection

Instant Circulars & 5 Languages

Guarantees zero missed institutional communications across multilingual school communities.

- ✓ Instant push alerts for exam schedules, holidays, & emergencies
- ✓ Multi-lingual interface: **English, Hindi, Marathi, Kannada, Urdu**
- ✓ Role-separated bottom taskbars for teachers and parents

Data Privacy & Security
Encrypted student & parent profiles

Instant Push
Notifications arrive in < 2 seconds

Whiteboard Compress
High-res photo upload under 250 KB

Offline Mode
Roll-call caches & syncs on network

INSTITUTIONAL WEB PRESENCE

Custom School Website — 100% Free Included

A modern, high-speed school website engineered and launched under your school's domain name at zero additional cost.

Custom School Website • Free Worth ₹15,000

ZERO CHARGES

Professional institutional web design costs schools ₹15,000+ across India. With Schoolmate by OpenSoftwares, your institution receives a bespoke, mobile-friendly modern website completely free of cost. No design fees, no setup charges, and zero hidden costs.

Admissions Portal
Direct online inquiry form feeding student leads right into the ERP.

School Branding
Custom colors, badge, campus photos, faculty profiles, and principal's desk.

Notices & Events
Automatic publishing of circulars, academic calendar, and holiday notices.

Cloud Hosting
High-speed SSL secured cloud servers with 99.9% uptime across India.

Unified Tri-Fold Cloud Ecosystem • All 3 Connected

Real-Time Sync

All three solutions — the School Management ERP, the Mobile App, and the School Website — operate on a single centralized cloud architecture. Data updated in one panel updates everywhere instantly.

1. Cloud ERP System
Admin, Principal & Accountant control over rolls, timetables, fees & staff.

2. Mobile App
Daily homework, roll call, live bus GPS, educational feed & attendance.

3. School Website
Public showcase, online admission inquiries & digital circulars.

Centralized Master Admin Panels: Dedicated, role-based dashboards are provided for the Principal, Trustees, and System Administrators, allowing comprehensive 1-click oversight over all campuses, staff activities, and student records.
